Spring 2016

A MESSAGE FROM MAYOR RALPH A. SCORDINO

Happy Spring to all! Though it was a relatively mild winter, there is always an audible sigh of relief when snow is no longer a possibility. My sincere kudos to all our Babylon Village maintenance, sanitation and DPW crews who worked throughout the winter ensuring our roadways, sidewalks and municipal parking lots were as safe and accessible as possible. Activity abounds in the Village. The E. Donald Conroy Golf Course is in excellent condition and open for play and the Village Pool is in better shape than ever, opening for the season on June 24. Boy Scout Eagle Projects have replenished the beach grass on the east and west sides of the Gilbert C. Hanse Municipal Pool and I'm happy to report the pool and its landscaping has been restored to its pre-Superstorm Sandy condition, ready for all to enjoy. As for Superstorm Sandy, NY Rising is preparing to hold the 3rd round of home auctions in our Village. It's hard to believe we are still dealing with the aftermath of that storm, almost four years later.

Our annual Little League Parade kicked off baseball season on April 16. Thanks to the hard work of Skip Gardner, the Village Highway crew, Greg Sharpe and many dedicated Little League volunteers, playing fields are in great shape. Their combined efforts make our fields some of the best in Suffolk County. Stroll down one afternoon and catch some of the action.

Numerous improvement projects have begun throughout our Village, with more scheduled to start shortly. Hopefully, residents have noticed upgrades along Trolley Line Road, including new curbs and sidewalks that run from Route 109 to Carl Avenue, providing safe passage for pedestrians and cyclists and improving Village walkability. Beginning stages of path upgrades around Argyle Lake will begin soon and drainage and resurfacing projects will commence shortly along Grove Place and Carl Avenue, while 50 new Smart Sponges will be installed throughout the Village to aid pre-treatment of rain water. In addition, the views at the Gilbert C. Hanse Pool will be enhanced by placing utilities underground and resurfacing the parking lot this summer. Our Village is one of Long Island's most picturesque and I urge all our residents to enjoy its beauty and many activities. We've worked hard through the years to create a pedestrian-friendly, safe and walkable community for residents and visitors. Take a stroll through our vibrant downtown, visit the Sunday Farmer's Market beginning **June 5**, shop locally and enjoy the numerous entertainment and recreation opportunities Babylon offers. The upcoming 11th Annual *Dirty Sock Run* sponsored by our local Rotary Club will take place on **August 14** along the greenway from Park Avenue through Southards Pond to Belmont State Park. The Rotary and Hapi Auer hope to exceed last year's number of participants as proceeds benefit our Village food pantries.

Babylon Village has just had its third migration of Alewives since 1889. The Alewife is a fish of integral importance to the Great South Bay's delicate ecosystem. We are working to live stream the cameras that have been placed at the Alewife ladder (just west of the waterfall at Argyle Lake) so that students and other interested Suffolk County viewers can witness the migration of the Alewives. This migration is another exciting sign that many of the Village's environmental protection programs are succeeding and thriving.

On behalf of the Village Trustees - Kevin Muldowney, Anthony Davida, Deborah Basile and Carol Amelia - I send good wishes for health, happiness and humor to all. Let us know of any concerns you may have regarding the Village. Your comments are always appreciated and your ideas always taken under consideration. We will continue to work tirelessly to ensure Babylon Village is the best it can be.

VILLAGE POOL OPENS JUNE 24 Swim Lesson Sign-up Starts May 14

Trustee Tony Davida is pleased to report that our wonderful Gilbert C. Hanse Village Pool will open for the summer on June 24 and remain open daily through Labor Day, offering its usual array of programs. Pre-registration for swimming lessons and pool passes begins May 14 (see registration form on page 5). Family memberships are \$100 and season passes will list each family member residing at the same address. Individual memberships remain at \$50 for adults, \$30 for children, and \$15 for senior citizens (age 62+). Two proofs of residency are required for all passes (drivers license, utility bill). Note: Early Morning Swim will be available only to Babylon Village residents with a special Sunrise Pass for an additional \$30.

CONKLIN HOUSE NEWS...

Trustee Debbie Basile reports that several cultural and educational events were offered at the Conklin House this winter including their annual *Christmas at the Conklin House*, cookie contest and pictures with Santa. Due to the beautiful weather, a record number of guests visited the house to view rooms superbly decorated by Conklin volunteers.

On March 15, the Conklin House was the venue for a *Taste of Ireland* with a presenter from our own Lily Flanagans of Babylon. Guests sampled Irish fare, including a pouring and tasting of Guinness.

Damien Farrell, Lily Flanagan's co-owner, presented a Taste of Ireland March 15

The annual *Afternoon Tea* was held in April instead of February this year and again sold out quickly. Participants enjoyed savory and sweet treats prepared by members of the Conklin House Steering Committee.

April found the Conklin House also hosting a new event, *Dinner for Eight*. Conklin House supporters purchased raffled tickets and the winner, Pat Farrell and 7 of her friends, were treated to a four-course meal, with Pat selecting the entrée. Cocktails, dinner, dessert, coffee and aperitifs were served in different rooms in the house, showcasing this Babylon Village jewel. Hopefully, *Dinner for Eight* will become an annual Conklin House event.

This year's *You Gotta Have Art* will feature the work of local artist Ed Lee on **May 13, 14 and 15**. An artist's reception will be held Friday, May 13 from 7pm-9pm with all welcome. Light fare and beverages will be served compliments of the Babylon Village Arts Council. Mr. Lee's art is also available for viewing on Saturday, May 14 and Sunday, May 15 from 12pm-3pm.

Upcoming Events... During the year, the Juliettes, a wonderful community service organization, provides volunteers for Conklin House events. In appreciation, the girls will be treated to a *Make Your Own Sundae* at the Conklin House in May. Thanks to Conklin House Steering Committee member Jack Conroy for the sweet treats.

Information on Conklin House events, including the annual Apple & Arts Festival will be available in The Beacon as details are finalized. The Apple & Arts committee is accepting donations of jeans and shirts (men, women and children) for scarecrow making. When spring cleaning, please consider donating whatever you are throwing out by contacting the Conklin House at **631.669.8164**. If you would like to be added to our "Events Alert" mailing list to get information on all upcoming Conklin House events, please send a request via email to conklinhouse@yahoo.com or call **631.669.8164**.

STORMWATER MANAGEMENT UPDATE

The Babylon Village Highway Department is scheduled to install approximately 50 storm water filtration units by 2016's end. This project, part of an ongoing program, is designed to pre-treat 100% of all storm water entering Babylon Village water bodies. The work is partially funded by Suffolk County through a grant obtained by the Village. The Storm Water Management MS4 Annual Report for the period ending March 2015 is currently available for viewing on the Village website or during regular business hours at the Village Clerk's office.

To aid in environmental protection, residents are asked to dispose of chemicals and waste oil at the Village Highway facility, not throw yard waste and leaves down drains, wash cars on lawns instead of driveways, clean up after pets and use fertilizer and herbicides sparingly.

Trustee Debbie Basile asks that if you notice a Village streetlight not working by your residence or business to call 669-1212 to report it for repair. Please have the street, cross street and, if possible, the pole number to ensure the correct light is repaired.

VILLAGE GOLF NEWS

Trustee Kevin Muldowney reports that the E. Donald Conroy Golf Course at Sumpwam's Creek opened for the 2016 season on March 17th. Head greens keeper Tom Steffan and his crew have managed to bring the course back to great shape and ready for play.

Last year was very successful for the course as more and more people are realizing that Sumpwam's Creek is a great place to work on your short game or launch your golfing career. In addition, the course is now used by as many as five area schools for practice sessions and Junior Varsity matches. This year, the course will once again host the Junior PGA's Metropolitan Group's annual junior tournament in June, offering youngsters from all over the New York metropolitan area the opportunity to compete.

The women's league begins their 16th season this year while the men's league starts its 14th season. The leagues continue to thrive, with both groups growing in membership and adding to their various outings and tournaments. Anyone interested in joining either league can contact the golf course.

All senior citizens receive a \$2 greens fee discount on weekday mornings from Monday to Thursday. Gift certificates are available for the course; they make perfect gifts for birthdays, graduation or Mothers and Fathers Day and can be purchased at the course or at the Clerk's Office at Village Hall.

Mike Reilly, our local pro will be back for his third year and will be providing lessons and clinics during the course of the year. He will also be holding his summer junior clinic. Come by the course and pick up the latest information on all Mike's programs.

For information on clinics, lessons, outings or any other golf course questions, call Sumpwams Creek at 669-2340.

The very popular Village Farmer's Market returns to the northern parking area of the Babylon train station. Each Sunday from 8 a.m. until 1 p.m. from June through November, the market features local businesses offering a wide selection of vegetables, jellies, jams, pickles, sauces, plants and much more.

This is a terrific opportunity to purchase farm fresh produce and other Long Island-made goodies while supporting local agriculture and business.

AROUND VILLAGE HALL

2016 TAX RATE

Mayor Ralph Scordino reports the Village Board of Trustees will not increase the tax rate for the fiscal year beginning June 1, 2016. *Tax bills will be mailed on or about May 11th. If you do not receive your bill and your mortgage company does not escrow for payment, call The Tax Receiver's office at (631)669-1500. If you recently purchased property, call the Tax Receiver's office as it takes a few months once the deed is recorded to receive the change of ownership from the County Clerk's office. Taxes are due June 1, 2016. Check the legal notice in THE BEACON or visit our website in May for a more detailed explanation.*

NEWS FROM THE VILLAGE CLERK'S OFFICE

Landscapers: All landscapers working in Babylon Village must obtain a permit ANNUALLY to ensure they are aware of Village rules and regulations. Applications are available at the Village Clerk's office and on our website. *Possession of a permit is NOT a recommendation by the Village as to the quality of the work a landscaper will perform.*

It is the responsibility of property owners to make sure any contractors hired are properly insured. It is suggested you obtain a certificate of insurance showing coverage.

When you or your landscaping service use a broadcast spreader, please make sure no material is spread into any bodies of water. Also, all fertilizer should land on grass and garden areas not on sidewalks and streets where it will wash into drains. High levels of nitrogen, abundant in fertilizers, are harmful to aquatic life.

BUILDING DEPARTMENT NEWS

The Building Department reminds all Village residents of the following important regulations:

- Boat storage is not permitted on residential property after April 1st.
- Self-locking gates and alarms are now mandatory for all pools in the Village of Babylon.
- **Pumping swimming pool water into streets or street drains is prohibited.**
- State code requires that carbon monoxide alarms be installed in all new and existing buildings. More information on this code is available at www.dos.state.ny.us/CODE/COAlarm.htm
- All new and altered driveways require Planning Board approval.

For all questions regarding Village building code issues, please contact the Building Department at (631)669-1300.

TREE PLANTING PROGRAM

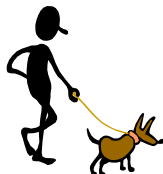

Babylon Village offers residents a Street Tree Planting program. Residents are required to complete an application to request trees to be planted at the curb line in front of their homes. Applications are being accepted through September 23 at Village Hall for the 2016 planting. For further information, please call (631)669-1212.

Crabbing Permits are now due to be renewed and applications are available in the Village Clerk's office as well as on our website. The fee is \$5.00 for Babylon Village residents.

DOG OWNERS... Please remember there are two enclosed dog runs in the Village: one is behind the south Little League ball field on Locust Avenue and the other is on George Street.

Free doggie bags and disposal receptacles are provided at each location. Dog walkers are asked to help keep our Village clean by picking up after their pets and properly disposing the waste.

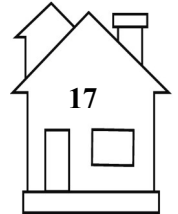

GENERAL SAFETY TIPS

For the betterment of all, please keep the following in mind:

- Circulars left in driveways are a clue for vandals and burglars that a house is empty. If you see these on a neighbors driveway or lawn when they are away, toss them out of sight.
- Please be watchful of strangers in your neighborhood. If you notice anyone suspicious walking around or driving slowly through your area, don't hesitate to call Suffolk County Police.

Please ensure your house number is posted and visible from the street for police, fire and rescue personnel to find in the event of an emergency.

PLEASE REMEMBER!

When parking on the street - *right* wheels to the curb; You are on the *right* side of the street and you are facing the *right* direction.

Also, persons parking on or across sidewalks will be issued a ticket.

NEWS FROM THE SANITATION DEPARTMENT

Please help us better serve you by noting the regulations below. If you have questions about these issues, please call the Village Sanitation Department at 631-669-4878.

▮ **Yard waste** (leaves, plant clippings, - anything that grows) should be separated from all other rubbish and placed in a clear plastic bag for a separate pick-up on your regular rubbish day. This is a mandate from the Town of Babylon which runs the landfills we use. There can be no plastic pots, plant tags, or other non-green contaminants in the bag with the yard waste or the bags will not be accepted and will be left at the curb.

When putting out **metal objects** for pick-up, you must **call ahead** to advise the Sanitation Department that your item(s) will be out. These include refrigerators, washers, dryers, treadmills and BBQ grills.

▮ Place your rubbish between the sidewalk and the curb *not earlier* than 6 PM the evening before *nor later* than 7 AM on the morning of your collection day, and remove empty containers from the curb. **There is no garbage, rubbish or recycling pick-up on Saturdays, Sundays or holidays.** When rubbish or recycling collection falls on a holiday, please do not put items out for pickup until your regular scheduled rubbish/recycling day the following week.

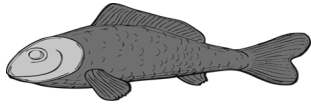

Residents are responsible for any debris left in the street or at the curb by their landscaping companies. Any leaves or other debris left behind, should be bagged by the resident and placed in your yard until your regular rubbish pick-up day.

S.T.O.P. SET FOR SEPTEMBER

The next S.T.O.P (Stop Throwing Out Pollutants) Day is scheduled for **September 24th** at the Village Sanitation Department from 9 a.m. until noon. Residents may drop off acceptable household pollutants: latex and oil-based paints, car batteries, household cleaners, laundry products, used motor oil and other items. The Village will dispose of them according to environmental codes.
